

Explore: The gender gap

- Area of focus:
- Do you think this area needs improvement in terms of gender equality?
- What do you think the current issues are, if any?
- Did you find any concrete example(s) to illustrate one/some of the current issues?

- What are some of the current/potential solutions to reduce the gender gap in this area according to your research?

- Did you come across any specific organisations working on improving gender equality in this area? What are they working on? What are some of the actions they're taking?
